NO SHOW POLICY

Associates in Family Medicine tries very hard to accommodate our patients with flexible scheduling. We request that our patients give us 24 hours notice prior to their appointment if a cancellation is necessary.

Our Policy on this issue is, after three No Show appointments, medical services for a patient will be terminated.

We currently charge a \$40.00 fee for missed appointments (cancellations without 24 hour notice given to the clinic). This fee will extend to appointments for Bone Density (DEXA), IDD Therapy (back machine) and Ankle Brachial Index (ABI) appointments.

If you find our location an inconvenience to you, we recommend you transfer your care to a physician more conveniently located to your home.
